Statement of Information Counter

Location Change

Effective May 11, 2009, the Statement of Information (SI) Counter has been closed and moved to the 2nd Floor, Room 255, where it has been combined with the Uniform Commercial Code (UCC) Counter.

As you are aware, California's fiscal problems are requiring every public agency to reduce their spending while at the same time attempting to provide the same levels of service to the public. One way the Secretary of State has chosen to maximize efficiencies is to consolidate the operations of the office wherever possible.

Beginning May 11th, customers will be able to drop-off Statements of Information and related documents at the new UCC/SI Counter location on the 2nd Floor, pick up documents and have their questions answered.

Please know the expected processing time for Statements of Information documents submitted in person remains 3-to-7 business days.

As with any type of change, we may encounter unexpected challenges, so your patience during the next several weeks as we make this transition will be greatly appreciated.

INCORPORATED ASSOCIATIONS

Every domestic nonprofit corporation formed to manage a common interest development under the Davis-Stirling Common Interest Development Act (for example, a homeowners' association) shall file a Statement by Common Interest Development Association (Form SI-CID) with the Secretary of State. The statement must be filed within 90 days after the filing of its original Articles of Incorporation, and biennially thereafter together with the Statement of Information (Form SI-100) filed pursuant to Corporations Code section 8210**. If the street address of the association's onsite office or the street address of the responsible officer or managing agent of the association changes, a corporation must file a complete Statement by Common Interest Development Association. A corporation is required to file this statement even though the corporation may not be actively engaged in business at the time this statement is due.

** The corporation must file Form SI-CID together with Form SI-100; however, it is an additional filing and must be accompanied by a separate \$15.00 filing fee. Both forms are available on the Secretary of State's website at <http://www.sos.ca.gov/business/>.

UNINCORPORATED ASSOCIATIONS

Although not currently required to register with the Secretary of State, every unincorporated association formed to manage a common interest development under the Davis-Stirling Common Interest Development Act shall file a Statement by Common Interest Development Association, biennially, in the month of JULY. If the street address of the association's onsite office or the street address of the responsible officer or managing agent of the association changes, the association must file a complete Statement by Common Interest Development Association. Upon changing its status to that of a corporation, the association shall comply with the filing requirements for incorporated associations.

Statutory filing provisions are found in California Civil Code section 1363.6, unless otherwise indicated. Please refer to Civil Code section 1350, *et seq.*, for additional provisions relating to common interest development associations. Failure to file this Statement by Common Interest Development Association may result in the assessment of a \$50.00 penalty and suspension of the association's rights, privileges, and powers as a corporation, to the same extent and in the same manner as the penalty and suspension imposed pursuant to Corporations Code section 8810. (Civil Code section 1363.6(d); Revenue and Taxation Code section 19141)

FILING FEES: The fee for filing the initial or biennial Statement by Common Interest Development Association is **\$15.00**. Checks should be made payable to the Secretary of State. If this statement is being filed to amend any information on a previously filed statement and is being filed outside the required filing period, **no fee** is required.
